WELCOME TO HATHEROP CASTLE SUMMER SCHOOL

HATHEROP CASTLE SCHOOL IS A MAGICAL PLACE.

It's the perfect fairy-tale environment for children to experience the Adventure of Childhood – and for our summer school students to experience the true value of independent education in a British boarding school.

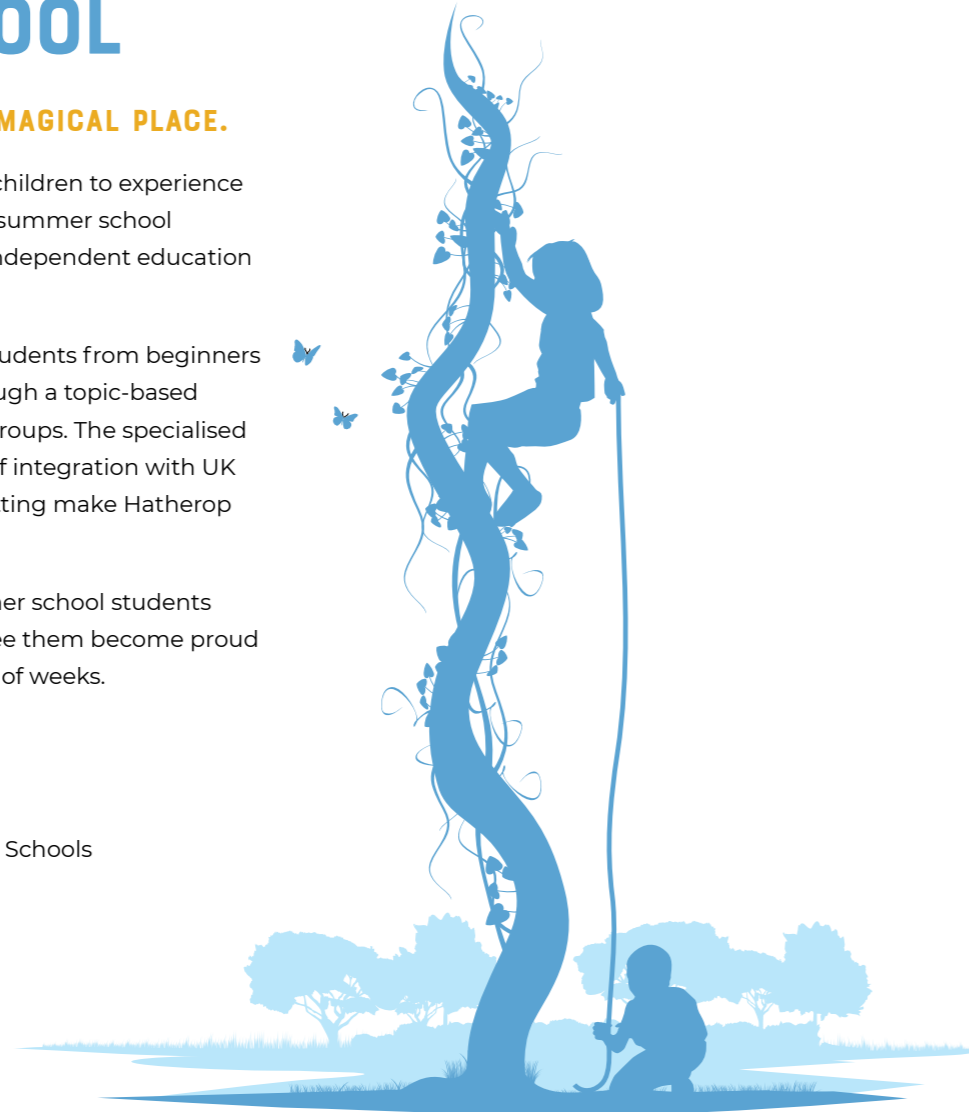

Our programme caters for the needs of students from beginners to those with fluent levels of English, through a topic-based approach to language teaching in small groups. The specialised Academies on offer and the rare chance of integration with UK host students within a summer school setting make Hatherop Castle Summer School a unique offering.

We can't wait to welcome our 2024 summer school students here in the beautiful Cotswolds - and to see them become proud Hatherop Castle students within a couple of weeks.

PROGRAMME OVERVIEW

We have created the perfect summer holiday for students aged 8-12. Mornings are for our unique English language course, carefully tailored to young learners. In the afternoons, international students are joined by UK host students, to take part in a choice of fantastic Activities and Academies, with lots of opportunity to put their English into practice. Finally, there are the trips to top English tourist sites, to ensure your son or daughter will have a holiday to remember.

LEARNING

Students take part in English language lessons on five mornings a week (a total of 15 hours of classroom-based learning). We ensure that all students are happy, challenged and grow in confidence.

AFTERNOON ACADEMIES AND ACTIVITIES

Our pupils enjoy 8 hours of focused Academy or Activity time across four afternoons each week. Our Academy choices are ideal for those who would like to get a taste of the dedicated support that Hatherop Castle provides to students, helping them develop their skills in a particular area. The Multi-Activity Programme is a great choice for students who would like to do a bit of everything.

EVENINGS

After dinner there are lots of social activities to entertain students, including quizzes, team games, movie nights and discos. This allows them to continue using their English in a fun and even more relaxed atmosphere.

ENGLISH LANGUAGE PROGRAMME

KEY FACTS

Age group:
8-12 years

Hours per week:
15 hours of lessons
per week

Class sizes:
Maximum of 12
students per class

Levels:
Beginner to
fluent speakers

Our programme delivers:

- Practical language skills in an English-speaking environment
- Listening and reading skills in an exciting way, using as many authentic materials as possible (depending on students' abilities)
- Speaking and writing skills using a topic-based approach, focusing on students' experiences through diary writing, and on oral communication skills through debates and presentations
- Critical thinking skills by helping students reflect on their language use
- Intercultural awareness

Course materials: A mix of General English and IB English textbooks and authentic materials.

Levels: Students receive an online placement test and questionnaire prior to arrival so that they can be placed in the best class for their needs. If necessary, we carry out further tests on arrival.

The chart opposite gives an overview of how our class levels relate to the Common European Framework of Reference for Languages (CEFR).

Students are placed into English language groups dependent on ability. The number and ability of students change week to week, which means that we adapt the class levels to ensure they match students' needs.

FLUENT SPEAKERS

Our approach to teaching is topic-based, inspired by IB English (rather than General English), which means that fluent speakers at C1 & C2 levels enjoy a high-level, practical engagement with the English language. It ensures that students with particularly advanced standards of English (for example, those who attend international schools, have studied English for a long time or have, in fact, grown up speaking English) are still challenged at the right level in class.

STAYING WITH US

ACCOMMODATION

Living in an English castle is one of the most exciting things about being a boarder at Hatherop. Our cheerful 3-8 bed dorms are comfortable and relaxing, and our experienced and friendly house staff make this a safe and reassuring home from home for international students. Medical support is arranged if necessary.

FOOD

Food at Hatherop Castle is delicious and popular with all our pupils. Our top school caterers provide a wide range of nutritious, freshly prepared meals, with plenty of choice for different tastes and diets. We are able to cater for all cultural and religious requirements. Each day, students enjoy a big breakfast, morning snack, lunch, afternoon tea and evening meal, ensuring that students have plenty of energy for learning and fun.

SAFEGUARDING AND WELFARE

We are committed to safeguarding and promoting the welfare of children, and we realise that it is often a difficult time for children and parents alike to be far from each other. Our comprehensive Safeguarding & Child Protection Policy and extensive procedures ensure that we keep children safe and families comfortable. The points below are only some highlights from our safeguarding and welfare measures.

TRAINED AND APPROACHABLE STAFF

All our staff members participate in safeguarding training specifically for our summer school. They are supported by a highly trained and experienced safeguarding team. Students are looked after by house parents and dedicated welfare support staff, and they can also always approach any of our friendly staff members if they need help.

POSITIVE AND SUPPORTIVE ENVIRONMENT

We provide a positive, supportive and nurturing environment, where every student can feel safe. While we have clear expectations for behaviour and conduct, we believe in positive behaviour management, which helps students adapt their behaviour to a school system that may be completely new to them.

SECURE CAMPUS AND ACTIVITIES

Hatherop Castle School is an exceptionally safe location, a self-contained school campus, where students live in a truly secure environment. We have specific risk assessments in place for every activity and excursion we organise, so that staff and students are as prepared as possible for any eventuality.

SAFER RECRUITMENT PRACTICES

We follow safer recruitment processes to ensure that all staff members that work with us are suitable for working with children; this includes conducting appropriate background checks and following up on references for everyone. We also require external suppliers (eg. transfer providers) to do the same.

MOBILE PHONE POLICY

While staying with us, students can only use their mobile phones for a limited time in the evenings, while connected to Hatherop Castle School's safe student network. As well as ensuring that students use their time to communicate with each other, this also helps prevent safeguarding issues linked to the online world. Students do have access to their phones on trips.

DEALING WITH HOMESICKNESS

We know that younger students may find it challenging to adjust to a completely new school environment far from home, and we have great experience in supporting them as well as their families through any periods of homesickness.

AIRPORT TRANSFERS

We provide two levels of airport transfer service: an Economy Transfer Service from London Heathrow Airport, and a Private Transfer Service available from several other airports too.

ECONOMY TRANSFER SERVICE

The budget-friendly Economy Transfer Service is available from London Heathrow Airport on Wednesdays. This includes a meet & greet service by a member of school staff or a driver inside the terminal building. On departure, our staff member or driver also takes students to the check-in desk.

The Economy Transfer Service is only available on Wednesdays for flights:

- Arriving between 9am and 6pm
- Departing between 10am and 7pm

Waiting times: We plan for our staff member or driver to meet arriving students approximately 45 minutes after their flight arrives (or later if there are delays through arrivals). While we operate multiple shuttle buses and minibuses on each arrival and departure day, using this service means that students may have to wait up to three hours at the airport for their coach or minibus to depart.

PREMIUM TRANSFER SERVICE

Our Premium Transfer Service is available from all London airports, as well as Bristol Airport and London St Pancras International Station. This option also includes a meet & greet service by a member of school staff or a driver inside the terminal building. On departure, our staff member or driver also takes students to the check-in desk.

Students travelling together can share the same Private Transfer Service.

Waiting times: We plan for our staff member or driver to meet arriving students approximately 45 minutes after their flight arrives (or later if there are delays through arrivals). Premium Transfers leave the airport or station immediately after collecting the student

UNACCOMPANIED MINORS

We are happy to assist with the arrival and departure of unaccompanied children. It is the responsibility of the family to ensure that this service is available and booked with the airline, and that all necessary paperwork is handed over to us.
